- A sample timetable is shown overleaf for a two day course. Some variation is possible, in discussion with us. A one day course will typically include shorter sessions on: theory, assessment, differential diagnosis and treatment.
- The courses are ideal for a group of between 24 and 30 Speech and Language Therapists.
- The course will be run by one or two Speech and Language Therapists from the Nuffield Hearing and Speech Centre.
- Course fees are £650 per day (£1,300 for two days).
- Expenses are charged for normal travelling costs, overnight accommodation and meals as required. Comfortable accommodation offering single rooms with en suite bathrooms, tea /coffee facilities, telephone etc is required.
- There will be a pack of handouts – approximately 75+ sheets – for each participant, which need to be photocopied prior to the course. These will be sent to you in advance.
- As the course organiser, the responsibility for producing Course Attendance Certificates is yours, but we will be happy to sign them, if required.
