NDP3 Speech Builder

NDP3 Speech Builder allows everyone to make full and flexible use of NDP3 images and templates and create targeted, engaging therapy materials. Please tell us which of the following features/ services you would find most helpful.

- A set of pre-coloured images
- A palette of lines and shapes for drawing simple lines, shapes and patterns
- Picture packs of images grouped by subject eg: work and play, transport, emotions, etc
- Images from other standard therapy/ literacy ranges
- Online NDP3 Assessment/forms
- 'Reward' keys to reward a child's effort with animations, games, etc
- Version of NDP3 Speech Builder for parents/home/school practice
- Other (please state)
