

Thank you for buying NDP3® Speech Builder

Installation ... please read this first (or give to your IT guru)

These instructions supersede the information in your user guide. This release is for Windows and Mac. You can use these instructions to install from a CD or a download. **Your License Key** is printed on the reverse of the CD package or was sent by email.

Windows Locate the file NDP3_Speech_Builder_113.AIR

Step 1: Right-click the file and click on the 'Install' option*. Follow the on-screen instructions. Windows will add a Speech Builder icon to your desktop.

*If there is no 'Install' option in the list, click on the 'Open with ...' option and choose 'Adobe AIR Application Installer' from the list. If it is not listed, please visit <http://get.adobe.com/air/> and download and install the Adobe AIR Application Installer. Then go back to step 1.

Mac OS X Locate the file NDP3_Speech_Builder_113.AIR

Step 1: Right-click the file and click 'Open With' and choose 'Adobe AIR Application Installer'*. Follow the on-screen instructions.

*If 'Open With' shows doesn't show 'Adobe AIR Application Installer', choose 'Other ...'. This opens your Applications folder. Scroll down and double-click the Utilities folder. If the Adobe AIR Application Installer is not listed, please visit <http://get.adobe.com/air/> and download and install it. Then go back to step 1.

Help and support beyond the user guide

- The NDP3 Speech Builder support page is www.ndp3.org/support.html
- The Speech Builder Introduction and Help videos are on the CD and our support page.
