Use in conjunction with the long vowel cards. Choose a vowel card. Place it at the bottom of the ladder and make a low sound. Then place it at the top of the ladder and make a high sound. Then move your card up the ladder and try to make your voice rise as you move to the card. Move the card down the slide and try to make your voice fall.

Voice worksheets: Pitch

Use in conjunction with the long vowel cards. Choose a vowel card.
Place it at the bottom of the ladder and make a low sound. Then
place it at the top of the ladder and make a (very) high sound. You
can also try to make your voice rise as you move the card up the
ladder and fall as your card moves down the helter skelter.
