

Arranging a course in your locality

If Speech and Language Therapists/service managers wish to arrange training for a group (typically 24-30 participants), please contact:

Dr Pam Williams

- We can offer a one- or two-day workshop, running from 0930 to 1630. Starting and finishing times may be amended in collaboration with tutors. A sample timetable is shown overleaf for a one and a two day course. Some variation is possible, in discussion with us. A one day course will typically include shorter sessions on: theory, assessment, differential diagnosis and treatment.
- The courses are ideal for a group of between 24 and 30 Speech and Language Therapists, but can be adapted for larger groups providing the venue and IT equipment/sound system are suitable.
- The course will be run by one or two Speech and Language Therapists from the Nuffield Hearing and Speech Centre. Please contact us for details of course fees.
- Expenses are charged for normal travelling costs, overnight accommodation and meals as required. Comfortable accommodation offering single rooms with en suite bathrooms, tea /coffee facilities, telephone etc is required.
- There will be a pack of handouts – approximately 75+ sheets – for each participant, which need to be photocopied prior to the course. These will be sent to you in advance.
- We expect the host organisation to have a recent copy of the Nuffield Centre Dyspraxia Programme and to bring the materials to the course venue for the tutors to use in demonstrations. Please visit: www.ndp3.org for resource details.
- As the course organiser, the responsibility for producing Course Attendance Certificates is yours, but we can provide a template.
